## THOUGHTS FROM THE TOP Clay Johnson

CIO, Walmart

"Enjoy being hands-on and rolling sleeves up to solve problems"

"Try new things. Use 'fast works/fail fast' to speed up innovation"

"Know the business better than the business"

"Teams come first. Hire people smarter than you"

From Clay Johnson's LinkedIn profile.

\*CIOs at the 20 largest Americas-headquartered companies, based on last reported annual revenues.
